Change Account Password

Toolbar

On the left side toolbar, click **Change Password**.

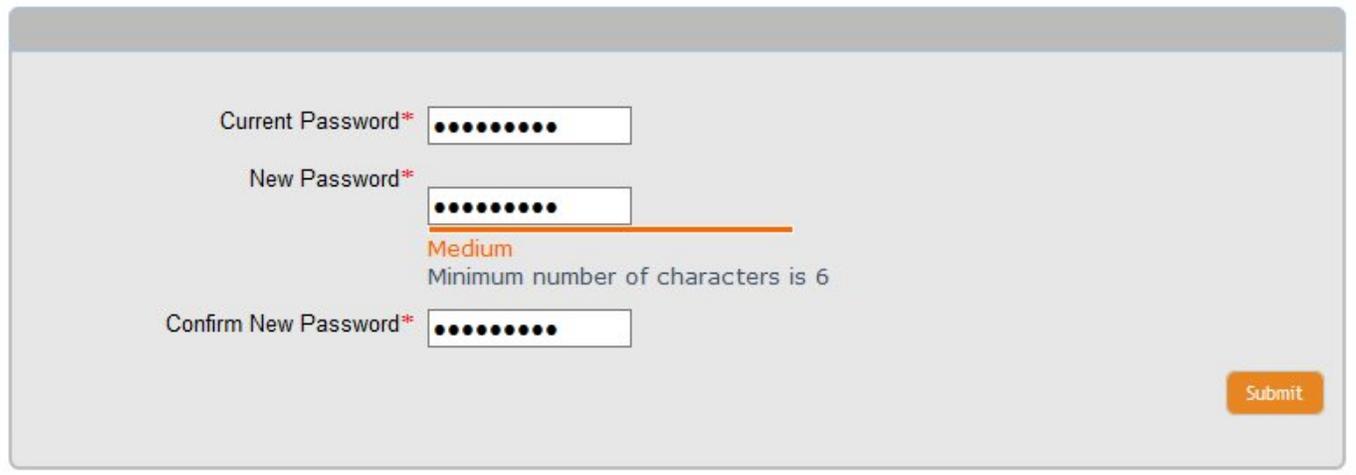

Change Account Password

Change Password

Enter your current password and your desired new password and click **Submit**.

Change Password

To change your password, please enter your current password in the "Current Password" field. Enter your desired password in the "New Password" field and re-enter it in the "Confirm Password" field.

The screenshot shows a web form titled "Change Password". It contains three input fields: "Current Password*", "New Password*", and "Confirm New Password*", each with a red asterisk and a password mask of ten dots. Below the "New Password*" field, there is a strength indicator showing a blue progress bar and the text "Medium" in blue, followed by "Minimum number of characters is 6" in grey. An orange "Submit" button is located in the bottom right corner of the form area.

Confirmation Message

A new screen will display a message and an email will also be sent to the address on file to confirm that the password has been updated.

Change Password

Sample User , your password has been updated. An e-mail with your new password information has been sent to sampleuser@thenccaom.org.
